3 July 1985 OLL: 85-1882

NOTE FOR: Director of Central Intelligence

FROM: Acting Director, Office of Legislative Liaison

SUBJECT: Request for Personal Interview by Senate Intern

1. We received a call on 1 July from Mr. Scott Yonover, an intern in the office of Senator Dan Quayle (R., IN). Senator Quayle is Chairman of the Defense Acquisition Policy Subcommittee of the Senate Armed Services Committee.

2. Mr. Yonover is writing a thesis on how people deal with the Senate. He would like to have 15-20 minutes of your time to STAT discuss how a Cabinet-level official deals with the Senate. He is hoping to see you before 9 August. Presumably, his internship comes to an end then. Do you wish to see him?
